Morgan's Caring Connection
Supporting Families. Securing Futures.
Founded: February 2024
Headquarters: Dane County, Wisconsin
Website: www.morganscc.org
Executive Director: Janis Strutt

Who We Are

Morgan's Caring Connection (MCC) was founded in loving memory of Morgan Strutt. Our nonprofit was created to ensure families caring for dependents with lifelong cognitive or physical disabilities have the tools, funding, and peace of mind needed to plan for the future.

We help families establish long-term financial and legal stability through:

- Family Support Funds that cover essential estate-planning costs (wills, trusts, guardianship, powers of attorney).
- Educational Empowerment Sessions that simplify complex financial and legal topics.
- A Professional Network of vetted attorneys, financial advisors, and other experts who understand the unique needs of special-needs families.

Our Mission

Empowering Families. Securing Futures. Providing Peace of Mind.

Our Impact

Since launching in 2024, MCC has:

- Awarded 50+ estate-planning grants to families.
- Raised over $500,000 through community events, donations, and in-kind support.
- Built a trusted Professional Network of over 70 local professionals.
- Hosted 30+ community givebacks and events.

Our Future Vision

Looking ahead to 2027, MCC will focus on expanding access to estate-planning assistance through Family Support Funds, strengthening sustainable donor and business partnerships, and reaching more families across Wisconsin. We will continue growing our Professional Network, delivering accessible educational opportunities, and building community engagement through events and givebacks—all while strengthening the systems and resources needed to support long-term impact.

Board Member Role

Board members serve as ambassadors and stewards of MCC. They help guide our strategic direction, strengthen community partnerships, and ensure responsible stewardship of our mission and funds.
Expectations include:

- Attend bi-monthly board meetings in 2027, held in person at a location to be determined.
- Serve on a committee; expectations and responsibilities for each committee are established separately.
- Participate in at least one signature event and one giveback annually.
- Support MCC through fundraising, advocacy, and community engagement.
- Contribute time, talent, and/or treasure in a way that fits your capacity.

Why Join Us

When you join our Board of Directors, you become part of a mission born from love, resilience, and purpose. Together, we're helping families sleep better at night, knowing their loved ones will always be cared for.

💜 "Because every family deserves peace of mind."
