

# Make a Difference with *Morgan's Caring Connection*

Morgan's Caring Connection (MCC) is a 501(c)(3) non-profit organization dedicated to empowering families with special needs dependents. Our mission is to provide peace of mind by covering essential legal costs for critical documents such as wills, trusts, special needs trusts, powers of attorney, and guardianship. These resources ensure that loved ones are cared for when families can no longer provide support themselves.

**Why This Matters:** According to the CDC 14% of Adults living in Wisconsin are living with a cognitive disability, which is approximately 827,540 people and there is a critical need for services tailored to individuals who may never be fully independent. At MCC, we focus grant funding on cognitively disabled dependents because they require lifelong care and a secure plan for the future.

We know families often feel overwhelmed and defeated by the challenges of finding trusted resources. That's why MCC offers:

- **Financial Assistance:** Grants averaging \$5,000 per family for essential legal documents.
- **Educational Resources:** Clear, actionable information to empower families.
- **Vetted Professional Network:** Introductions to trusted professionals tailored to each family's unique needs.

## **Breaking Barriers, Providing Hope**

All of MCC's services and grants are provided at no cost to families. We firmly believe that financial constraints should never stand in the way of securing a loved one's future.

## **Your Partnership Creates Impact**

As a Community Sponsor, your support ensures we can continue this vital work. By joining our Legacy Garden, you'll be recognized throughout the year for your belief in and commitment to our mission. Together, we can provide security and peace of mind for families across Wisconsin.

## **Empower Families Today**

Your sponsorship reflects not just generosity but leadership in building a stronger, more compassionate community. Join us in making a lasting impact for families with special needs dependents.

**Together, we can make a difference.**
